

Speaker

Alessandro Defendi

International Clinical Application Manager
Neurology

Alessandro Defendi has a Master's Degree in Bioengineering and Bachelor's Degree in Biomedical Engineering from the University of Padua (Italy).

He has over 15 years' experience in EEG/LTM/ICU clinical applications in Micromed products as a Product Specialist, Application Specialist and Sales Manager for Micromed. Alessandro worked for 2 years in Germany as field support for different LTM Installations, then moved back to joining sales activity from the Micromed Head office covering worldwide activity. He was appointed as Sales Manager for Europe in 2018. Alessandro joined the CAPS Team in Natus in October 2023 as International Clinical Application Manager for EEG/LTM/ICU/SLEEP for Micromed products.
